DUPLICATING JESUS

A 20-DAY STUDY THROUGH THE GOSPEL OF JOHN

Study His beliefs. Observe His decisions. Model His way of living.

THE AIM

We are not simply studying what Jesus did. We are learning how Jesus thought, what He believed, how He perceived situations, and how those beliefs produced His actions - so we can increasingly model His way of living.

OBSERVE → UNDERSTAND → MODEL → PRACTICE

THE DAILY FILTER

HOW TO STUDY JESUS

PURPOSE

What is Jesus trying to accomplish?

PRIORITIES

What comes first for Him?

PEOPLE

How does He see the person in front of Him?

BELIEFS

What must He believe to respond this way?

THE FATHER

How does the Father's will influence His decision?

DUPLICATION

What does this look like in my life today?

THE MODEL

BELIEF → PERCEPTION → STATE → BEHAVIOR → RESULT

Don't just study what Jesus did. Study what Jesus believed that made His behavior natural.

PRACTICE IT IN REAL TIME

CATCH → INTERRUPT → EXECUTE

CATCH

What am I thinking or judging right now?

INTERRUPT

How would Jesus see this? What is the Father doing here?

EXECUTE

Align with the Father and confidently take the next right action.
